

University National of Formosa

01- PERSONAL HISTORY:

Last Name: VEGA,

Name: María Victoria

DNI: 16.374.877

Birth day: 17-10-1963

Birth place: Capital Federal

Private address: Ayacucho N° 35. (3600) Formosa Tel.: (54 - 9) 3717 - 420363. E mail: mavivega@yahoo.es

Job address: Avda. Gdor. Gutnisky N° 3200. (3600) Formosa. Plant Biotechnology Laboratory. Naturals Resources Faculty. University National of Formosa. Campus University. Te / Fax: (54 - 9) 3717 - 452241.

2- STUDIES

HIGH SCHOOL

BACHILLER NACIONAL, Santa Isabel Incorporated Institute. December, 1980.

UNIVERSITARIES

FORESTRY ENGINEER, March, 1986. Renewable Naturals Resources Faculty. University National of Formosa.

PLANTS BIOTECHNOLOGY MASTER. April, 2004. University International of Andalucía. Santa María La Rábida American Headquarters. Huelva City, Spain.

STUDENT OF PhD Naturals Resources Area. Agricultural Sciences Faculty. University National of Northeast. Corrientes City, Argentina.

03- TÍTLES

FORESTRY ENGINEER, March, 1986. Renewable Naturals Resources Faculty. University National of Formosa.

PLANTS BIOTECHNOLOGY MASTER, 2004 University International of Andalucía.
Santa María La Rábida American Headquarters. Huelva City, Spain.

04- THESIS:

Title: Molecular evidence for natural interspecific hybridization in *Prosopis*. Excellent cum laude. Director: PhD Pilar Hernández Molina. Sustainable Agriculture Institute (CSIC). Córdoba City. Spain.

05. - ACTUALLY:

- J.T.P. Dedication: Semi - Exclusive. Asignature: Plant Physiology. Career: Forest Engineering. Naturals Resources Faculty. National Formosa University.
- J.T.P. Dedication: Semi - Exclusive. Asignature: Plant Physiology. Career: Biology. Faculty of Humanity. National Formosa University.
- Ordinary Assistant Professor. Dedication: Semi - Exclusive. Asignature: Genetic. Career: Biology. Faculty of Humanity. National Formosa University
- Research. Category: III (National Incentives for Teachers - Researchers). Science and Technology General Secretariat. National Formosa University. Formosa City, Argentina.

06.- PUBLICATIONS:

Severals publications in Experimental Botany International Journal (OYTON); Agroforestry Systems, Science and Technology Journal, Naturals Resources Faculty. Forest Series, Science and Technology Journal, Formosa National University. Scientific Series

07.- SCHOLARSHIPS

- **1997** International Cooperation Spain Agency. (AECI). Agricultural and Food Research. National Institute (INIA). Madrid City. SPAIN.
- **1999** American States Organization. Agricultural Research Brazilian Company. (Embrapa). Genetics and Biotechnology Resources National Center. (Cenargen). Brasilia City. BRASIL.
- **2000** University International of Andalucía. Santa María La Rábida American Headquarters. Huelva City. SPAIN.
- **2002** Japanese Internacional Cooperation Agency (JICA). International Cooperation Center for Agricultural Education (ICCAE). Japan Government International Cooperation Program. Nagoya City. JAPAN

08.- PROYECTS

Director and Co-Director of severals research proyects about biotechnology forest and fruits plants.

Director of 3 Degree Thesis.

Co- Director of 1 Degree Thesis.

09.- SCIENTIFICS CONFERENCES AND MEETINGS PRESENTATIONS

128 publications in many scientifics conferences and meetings.

10.- STAYS IN INTERNATIONAL CENTER:

- 1997. Agricultural and Food Research National Institute (INIA). Phitogenetics Resources Center (CRF). City: Madrid. Country: Spain. VI International Course of Conservation and Utilization Phitogenetics Resources for Agricultural Foods.
- 1999. Agricultural Research Brazilian Company (Embrapa). Genetics and Biotechnology Resources National Center. (Cenargen). City: Brasilia. Country: Brasil. Research Actualization Course on Plant Genetic Resources Conservation.
- 2000. University Internacional of Andalucía. Santa María La Rábida American Headquarters. City: Huelva. Country: Spain. II Plants Biotechnology Masters.
- 2002. International Cooperation Center for Agricultural Education (ICCAE). Japan International Cooperation Agency. International Cooperation Japan Government Program. City: Nagoya. Country: Japan. Group Training Course in GIS Technology for sustainable management of natural resources and agricultural products.

11.- ANOTHERS ACTIVITIES:

Scientific Journals Arbiter of Tropical Forest Science Journal. Forest Research Institute Malaysia (FRIM), Kepong, Kuala Lumpur, Malaysia.

Participation in 58 conferences and scientific meetings.

Formosa, March 2011.
